# We are True North Sports Camps!

 True North Sports Camps (TNSC) offers year-round sports programming for boys and girls ages 4 to 14 of all skill levels in Toronto and Etobicoke. We operate summer day camps as well as after school and weekend programs for basketball, flag football, basketball, soccer and multi-sport.

At TNSC, we believe that recreational sports are an important part of every child's development and we make it our priority to deliver a truly memorable experience. With low camper to staff ratio, our outstanding coaches are committed to building an individual rapport with each and every camper.

All of our energetic TNSC coaches are experts in their sport, who love to share their knowledge of the game while stressing the importance of sportsmanship, teamwork and fair play. We focus on creating an encouraging environment where all players learn something new, stay active and have fun!

# Our Story

Following humble beginnings as a local baseball camp, 🍁 True North Sports Camps' (TNSC) sports programs have become a staple throughout Toronto and the GTA.

TNSC was launched in 2007 by four wide-eyed university students. Having coached competitive youth baseball for several summers, the four decided to create a local baseball camp—originally known as **North Toronto Baseball Camp (NTBC)**—in order to give back to their community and continue doing what they love: teaching young athletes the wonderful game of baseball. After the first summer, NTBC earned the reputation as Toronto's premier source for baseball day camp and afterschool clinics.

Boys and girls from the community signed up to have fun with their friends and learn baseball in a pressure-free environment. Whether it was weekly tournaments and cool giveaways, or the scouting reports and unique drills, there was always something fun for all skill levels.

In 2016, NTBC expanded to form TNSC, offering baseball, basketball, flag football, soccer and multi-sport camp programs. Based on the overwhelming response from campers and parents, TNSC launched a new location in Etobicoke in 2017.

We are excited to be back this summer and able to offer a more traditional version of our summer camps for the first time since 2019! We hope to see you soon!

# Why attend True North Sports Camps?

**Campers get a fantastic opportunity to develop their athletic skills, to remain active, and to learn valuable life lessons including sportsmanship, teamwork, and fair play.**

Campers are divided into skill groups based on age and skill level. Throughout the week they participate in unique drills, fun games and mini competitions. With tons of giveaways and prizes as well as individual scouting reports (similar to a report card), each and every camper receives individual attention and leaves the week with something special.

## 5 Reasons to Attend

### 1 Choice

**We have something for everyone!**

Whether you enjoy baseball, soccer, basketball, flag football or multi-sport, we have a program for you!

### 2 Our Staff

We invest a significant amount of time to ensure our staff are properly trained and given the resources they need to succeed.

Our staff are able to make sure every camper has the best experience possible with our low 6:1 camper to counsellor ratio (even lower for the younger age groups).

Our Program Directors and Leadership team are not included in this ratio, which allows them to provide extra on-site support and assistance.

**3 Our Programming**

**Our exceptional sports programming is developed by a combination of university level coaches and elementary and high school teachers.**

We implement the latest drills, exercises and games for each specific sport, creating schedules which are designed to keep campers active and having fun!

**4 Our Culture**

**We've created the perfect balance between advanced skill instruction and having fun in a camp environment!**

While learning various skills from outstanding coaches, campers also get to participate in our themed Fun Fridays, site-wide games, water activities, and more. In order to ensure that all campers have a memorable and positive camp experience, we make it a priority to create a camp environment that is safe, encouraging and inclusive.

**5 Parent Experience**

**We strive to provide outstanding customer service to all of our camp families.**

Whether you are a 10+ year TNSC family, or joining us for the first time, you can expect our Leadership Team to respond quickly and thoughtfully to all of your questions and concerns. Don't hesitate to reach out!

**Above all, TNSC believes recreational sports are an important part of every child's development and we make it our top priority to deliver a truly memorable experience!**

# Our Staff

✪ True North Sports Camps (TNSC) is known for its incredible staff. Everything starts with our hiring.

From camp directors to CITs, we simply hire the best. While having playing or coaching experience is certainly important, it's not our main priority. Most importantly, our coaches are able to create a positive environment for our campers, allowing them to have fun and forge lasting friendships.

# What's new this summer?

## True North Sports Camps is returning to Etobicoke!

We are thrilled to announce that True North Sports Camps is returning to Etobicoke for our 5th summer, and we couldn't be more excited to embark on our 17th summer overall!

### What are the changes you ask?

#### A Second Etobicoke Location

It is with great pleasure that we introduce our second summer camp location in Etobicoke, providing even more opportunities for your children to experience an unforgettable summer of sports, growth, and fun.

Last year we unfortunately had so many families on our waiting list in Etobicoke and we wanted to ensure we were able to find a spot at our Multi-Sport Camp in Etobicoke for everyone.

Check us out at [Bloorlea MS](#) and [Parkfield Junior PS](#) this summer. It's the same great Multi-Sport Camp for children ages 4-12 just add two different locations.

# What you need to know about camp

If your child will arrive after 9:00am, please email or call the camp office directly. The camp office will inform your child's Program Director.

Phone → 416-619-1224

See below for [3. Extended Care](#)

## 3 Extended Care

### **Extended Care is available before camp beginning at 8:00am, and after camp between 4:00pm to 5:00pm.**

Our Extended Care program is an extension of the camp day, including fun and engaging programming.

The additional cost is \$75 +HST per week.

## 4 Sunscreen

Please apply sunscreen (SPF 30 or higher) on your camper each morning, and send a labelled bottle of sunscreen for repeated applications throughout the day.

## 5 Water bottle

We suggest providing a refillable water bottle, as we provide coolers of water throughout the day. Please avoid sending glass bottles. If you would like to send juice boxes, we suggest freezing them the night before so they remain cold.

# What you need to know about camp

## 6 Lunch

We do not provide lunch—each camper must bring their own lunch, snacks and water bottle. It is recommended to send an insulated lunch bag, as we do not have access to refrigerators at any of our campsites. Campers must remain on site during their lunch period.

### **Please Note**

We are a nut-free camp!

## 7 Snacks

All campers must bring two snacks per day, as we have a morning and afternoon snack break.

### **Please Note**

We are a nut-free camp!

## 8 Nut-free

### **All lunches and snacks must be nut free.**

We have a strict no sharing policy. As we have a number of children and staff at camp with life threatening peanut and nut allergies, we urge that any products containing nut ingredients not be sent to camp. Camp will adhere to this policy in the strictest sense and will confiscate any food items that may contain traces of nuts or nut products.

## 9 Scouting Reports and Camper Certificates

Throughout the week campers are given an opportunity to demonstrate skills and techniques they have learned at camp. At the end of each week campers will receive a personalized scouting report (sport specific camps) or a certificate (multi-sport camps) detailing their strengths and areas for improvement.

## 10 Rainy Days

In case it rains, we have access to an indoor facility at all of our camp locations. Depending on the length of time we are indoors, we will continue to play games and drills and keep campers active. Rainy day programming is prepared and adjusted to ensure that our campers' experience is still filled with quality sports instruction and fun!

# What you need to know about camp

## 11 Visitors

So we do not disturb the camp program or our campers, visitors are not permitted to interact with campers or staff during the camp day. We want to encourage our camp families to allow their children to have a full camp experience. If there are any special occasions where families are invited, we will let you know!

## 12 Lost and Found

Items misplaced around the camp will be placed in our lost and found, which can be accessed directly by asking your camps' Program Director.

### **Label! Label! Label!**

If items are properly labelled with your campers first and last name, they can be returned more easily! At the end of every session, all unclaimed items will be donated to a charitable organization.

*True North Sports Camps is not responsible for any loss or damage to your campers property, so please keep all valuables at home.*

## 13 T-Shirts

Following tradition, we will once again be providing our campers with some very cool camp gear. Our t-shirts will be distributed each Monday morning at the beginning of camp to new campers. Our camper t-shirts are not required to be worn at camp!

### **Please Note**

Each camper will receive only one t-shirt throughout the summer.

# What to bring to camp each day

## Lunch, Snacks and Water bottle

Campers must bring their lunch, snacks and water bottle.

### **Please Note**

- Campers are very active throughout the day and may be extra hungry—please pack accordingly. We will provide coolers of water throughout the day.
- We are a nut-free camp! Any products sent to camp that contain nuts or “may contain traces of nuts” will be exchanged for a nut-free snack provided by the camp.

## Hats

Please ensure you bring a hat each day. As many of our camp programs are primarily outside and we will be enjoying the beautiful Toronto summer weather, we want to ensure that we are always practicing sun safety.

### **Label! Label! Label!**

Camp does not have spare hats so be sure to send your labelled hat each day!

## Running Shoes

All of our programs require proper running shoes.

Sandals and Crocs are safety hazards and not permitted. Campers are welcome to bring sport-specific footwear, including baseball, soccer, and flag football cleats or basketball shoes.

### **Please Note**

All cleats must be plastic.

## Valuables

Money, jewelery, phones, and other valuables that are at risk of getting broken or lost should be left at home.

### **Phones**

- Phones are not permitted to be used at camp.
- While campers are permitted to use their phone after camp to communicate with their parents, if necessary, all phones and electronic devices must be stored in their backpack or gym bag during the day.

### **Please Note**

True North Sports Camps is not responsible for lost or stolen valuables, including phones.

# Sport-Specific Equipment

## Multi-Sport

### Multi-Sport specific items to bring:

- Running shoes
- Campers should wear athletic clothing—we recommend shorts and a t-shirt!

While we will provide all other equipment needed for the various sports activities at camp, campers are allowed to bring other personal items including baseball gloves, sweatbands, jerseys and towels, if they would like!

### **Please Note**

Remember to label all personal items.

**DREW B., Parent**

I have to tell you just how much Harrison loved the camp. You guys did a great job, were fantastic with the kids and the 'report cards' you handed out were really helpful.

**Thanks again for a great two weeks!**

Harrison, as you know, is fairly new to baseball but has really developed a taste for the game and you guys just made it all the better for him. He has read the report card over and over.

Our Director of Administration is **Sara Jacobsen**.  
We also have a Site Director for each of our locations:

**3** My child has not played many sports before, is True North Sports Camps right fit?

We definitely believe so! Our camp was founded on the principles of providing high quality instruction in a friendly and inclusive atmosphere for all skill levels. Campers are divided into groups based on age and skill level. Our coaches are given the flexibility to alter the activities to suit the needs of their group. As well, our coaches are trained to adapt their teaching styles based on the age and skill level of their players. Our directors and head staff put significant thought into the camp and clinic programming to ensure that both beginner and expert campers alike will have an amazing experience.

Phone → 416-619-1224

# FAQ

**5** Do the campers take breaks throughout the day?

Absolutely! All campers will take water and snack breaks throughout the day. In addition, we take a 30 minute lunch break at noon where campers are required to stay seated for the full 30 minutes to ensure they are getting the appropriate rest needed and finishing their entire lunch.

Our staff are very focused on ensuring that all campers stay hydrated and spend an appropriate amount of “cool-down” time in the shade. On especially hot days, campers will take additional water breaks and we might move some of our programming indoors.

**6** Do you have a lost and found?

Yes we do! First check your camp site. All lost and found is collected by the Program Directors each day. If you do not find the lost item after checking at camp, please email us with a description of the item(s) you are missing. Email → [info@truenorthcamps.com](mailto:info@truenorthcamps.com)

**7** What is North Toronto Baseball Camp (NTBC)?

True North Sports Camps originally started as North Toronto Baseball Camp (NTBC) in 2007. Today, NTBC continues to maintain its own brand, and is the baseball programs operated in Toronto by True North Sport Camps. It’s still the same great program at the same great location with many of the same staff.

**Stay connected** to camp through our favourite forms of social media: Facebook, Twitter and Instagram.

# Health and Safety

## 1 First Aid

All of our Camp Directors are certified with Standard First Aid and CPR. We provide first aid training by a registered nurse to all of our staff at our annual staff training. First aid kits and materials are readily available at each camp site. Given the active nature of campers in our sports specialty camp programs, we place a strong emphasis on safety and teach our campers and staff how to have fun and play safe!

## 2 Injury Policy

We make a concerted effort to prevent injuries while at camp by teaching our campers and staff the skills they need to play each game as safely as possible. However, we know that injuries, large or small, are a risk. If a camper is injured while at camp, we will keep all lines of communication open with the camper's family and let them know the steps we are taking to handle the situation. It is our priority to attend to the camper first to assess each situation to ensure that health and safety are never compromised. Should a camper sustain a head injury while at camp, the family will be notified immediately. The trained leadership staff team on-site will assess the situation and determine next steps, including whether the camper is well enough to remain at camp that day.

## 3 Medical Information

You have the opportunity to inform us of any medical issues, concerns, allergies, etc. on your summer camp registration form. This can be accessed through your online camp account by logging in at: [campself.active.com/TrueNorthCampsLtdCAD](https://campself.active.com/TrueNorthCampsLtdCAD)

If this info needs updating, please inform our camp office immediately! You can contact the camp office by phone or email.

Phone → 416-619-1224

Email → [info@truenorthcamps.com](mailto:info@truenorthcamps.com)

## 4 When should I keep my camper at home?

If your child is sick and has any of the symptoms listed in our COVID-19 health pass they will be required to stay home. Should your son or daughter be diagnosed with a contagious illness (i.e., chicken pox) or COVID-19, please let us know so that we can inform other parents if necessary.

# Health and Safety

## 5 Medication

Please do not send any medication to camp in a lunchbox or backpack—this includes over-the-counter medications as well. If medication must be given to a camper during camp hours, the Camp Director will deliver it only (not a counsellor). Medication should be delivered to the Camp Director in its original bottle labelled with the child's name. Medication will be dispensed according to the written and signed instructions provided by the parent.

**These instructions must include:**

- (1) Child's name
- (2) Name of medication
- (3) Dosage
- (4) Time dosage is to be given
- (5) Any directives (i.e. must be given with food)
- (6) Medication side effects
- (7) Date on which medication is to begin and date on which it is to end

## 6 EpiPen Policy

If your child requires an EpiPen please ensure that two are sent to camp. One will be kept on the camper at all times and one will be kept on site in our First Aid kit.

## 7 Lice Policy

If a child is found with nit eggs or lice, parents will be called and asked to remove their child from camp immediately. You are required to keep your child at home until professionally treated. The child must be accompanied by a letter from the professional service certifying that they have been treated.

## 8 Sun Protection

We recommend that your camper be protected with sunscreen. It is suggested that you use a long-lasting, water resistant variety, readily available in drug stores. Families should apply the lotion before the campers leave home for camp. We will also reapply throughout the day. Sunscreens are made with chemicals that can irritate eyes and skin if used improperly. Please ask your campers not to share their sunscreen, as another child may have an allergic reaction to the one your campers use. We suggest that each camper bring a hat to wear outside to help shield their faces from the sun.

# Health and Safety

## 9 Excessive Heat

If temperature or air quality necessitates changes in the regular schedule, outdoor activity will be limited to periods of no more than 30-45 mins at a time. Indoor locations for lunch will be provided. We also have indoor alternate programming planned to limit sun exposure. Campers will be encouraged to take frequent water breaks.

## 10 Bullying

We have a zero tolerance policy for any bullying or otherwise physical or aggressive behaviour during our programs. It is our goal that camp remains a safe environment for all campers and staff.

## 11 Camper Behavior Policy
