The True North Philosophy

At True North Sports Camps we are committed to creating the best possible experience for every camper and great staff are vital to achieving that goal! While developing the campers' athletic skills is certainly important, our core focus is creating a positive environment for our participants, allowing them to have fun and forge lasting friendships.

Who We Are

True North Sports Camps offers year-round sports programming for boys and girls ages 4 to 14 in Toronto and Etobicoke. We offer baseball, flag football, basketball, soccer and multi-sport summer day camps as well as after-school and weekend programs during the fall, winter and spring. At True North, we believe that recreational sports are an important part of every child's development and we make it our top priority to deliver a truly memorable experience.

True North Sports Camps was created by the founders of North Toronto Baseball Camp, and since 2007 our goal has remained the same: to provide the highest quality sports instruction in a fun, safe and encouraging environment.
