### TNSC COVID-19 Guidelines for Indoor Programs

PLEASE NOTE THESE GUIDELINES MAY CHANGE AS PROVINCIAL POLICIES ARE MODIFIED

The following safety measures will be implemented for all indoor programs until further notice. TNSC are now following Step 3 of the provincial guidelines.

1. **SCREENING**
  - a. All participants and staff will be required to complete and pass a series of screening questions. In order to speed up check-in parents are encouraged to print off and fill out the following form ([click here](#)) at home and bring it to our programs
  - b. Anyone who does not pass the screening questions will not be allowed to participate at our program(s)
  - c. A list of the screening questions can be found online ([click here](#))
2. **MASKS:** Under Step 3 of Reopening Ontario masks must be worn but can be removed during physical activity (i.e., wear a mask walking into the building, out of the building, to the washroom, sitting on the sidelines, etc. but CAN be removed during physical activity and game-time).
  - a. Masks will be worn at all times by our staff
  - b. Campers have the option to wear a mask during our programs. Just let our staff know at check-in and we'll be sure to make a note of this
3. **VISITORS/GUARDIANS:** As per Branksome Hall's COVID-19 guidelines visitors (i.e., parents/guardians) are not allowed inside the facility. Therefore, any programs taking place at Branksome Hall will be drop-off ONLY! We recognize the challenges this may cause especially with the 4-6 age group so we have added an extra staff for this age group to aid with home sickness/separation anxiety.
4. **VACCINATION:** As per Branksome Hall's COVID-19 guidelines all participants ages 12 & up will be required to show proof of full COVID-19 vaccination in order to gain access to the facility. The same protocol applies to our staff.
5. **PHYSICAL DISTANCING:** Will be encouraged during our programs and maintained whenever possible.
6. **SANITIZATION:** Hand sanitizer will be provided to campers before the start of our programs. We'll also be sanitizing our equipment between each and every program/time slot.
7. **SCRIMMAGES & GAMES:** Are permitted under Step 3 of Reopening Ontario.
8. **PERSONAL BELONGINGS:** Participants are asked to limit the quantity of personal belongings brought to our programs. Any items brought to our programs should be clearly labelled and kept within the participant's designated space or bag. Participants should bring a refillable water bottle to use throughout the duration of our program.
9. **CHANGE ROOMS & WASHROOMS:** Change room access will NOT be allowed; washrooms will be accessible.
